

Index to Volume 72 (January–December 1997)

SUBJECTS

- AAMC Focus**, 45; 131; 197; 292; 373; 521; 618; 705; 780; 891; 985; 1085
- AAMC STAT**, 45
- Abortion**, 1037
- Abstracts**, length of (letter), 660
- Academic difficulty**, predictors of, Oct suppl 1 S69
- Academic health centers**, administrative structure of, changes in to improve function, 259; 576; 595
- alliances with managed care organizations, 321
- communal approach of (commentary), 163
- departmental reorganization of, 595
- financing of (letter), 318
- managed care involvement of, 321, 332
- quality vs. resource constraints of, 180
- Academic medical centers**, future of, 97
- as joint ventures, 483
- patients' attitudes towards (letter), 470; 470
- service mix of (AAMC Focus), 985
- strategic planning by, 571
- uncompensated medical care by (national policy perspective), 132
- Academic medicine**, forum on the future of. *See* **Forum on the Future of Academic Medicine**
- impact of aging population on (editorial), 835
- law-school model of, 200; 211
- public attitudes towards (AAMC Focus), 45
- quality vs. resource constraints in, 180
- redesign of, 595
- Academic Medicine**, feature articles in, presentation on cover (letter), 315
- Academic Medicine: Institutions, Programs, and Issues** (7th ed.) (AAMC Focus), 373
- Academic performance**. *See* **Performance Academic Physician and Scientist** (AAMC Focus), 131
- Accelerated programs**, in medical education (AAMC Paper), 1128
- Accreditation**, family-violence instruction issues in, Jan suppl S105
- of hospitals, ORYX initiative for (AAMC Focus), 780
- influence on educational change in medical schools (AAMC Paper), 1127
- relationship to educational objectives, 647
- standards for, meaning and applications of (AAMC Paper), 808
- standards for, of Liaison Committee on Medical Education, 200; 211, 647
- Accreditation Council for Continuing Medical Education**, commercial grants regulation of (letter), 472
- Accreditation Council for Graduate Medical Education**, accredited residency program of, 17
- commercial grants regulation of (letter), 472
- Family Practice Residency Review Committee of, 446
- foreign medical schools' evaluation by, 17
- Acquired immunodeficiency syndrome (AIDS)**. *See also* **HIV/AIDS epidemic**
- elective in (letter), 90–91
- undergraduate education on (letter), 319
- Acquired immunodeficiency syndrome (AIDS) patients**, community-based care for, residents' experience with, 448
- minority-group physicians' care for, 128
- Ad Hoc Group for Medical Research** (national policy perspective), 290
- Administration**, faculty's productivity in, assessment of, 787
- Administrative skills**, of faculty, workshop for improvement of, 462
- Administrative structure**, of academic health centers, changes in to improve function of, 259; 576, 595
- Administrators**, cultural sensitivity of, workshop for development of, 461
- Admission**. *See also* **Early-decision admission students**
- affirmative action in, (from the president), 130; (AAMC Focus), 373; (national policy perspective), 616; (AAMC Focus), 891; (from the president), 775; (from the president), 1084
- competition in, 474; (letter), 1023
- of learning-disabled students (commentary), 1032
- predictors of, for underrepresented-minority medical students, Oct suppl 1 S140
- process of, 474; (letter), 1023
- to rural family practice program, 438
- standards for (letter), 159
- Admission committees**, voting patterns of, Oct suppl 1 S72
- Admission interviews**, ratings of, relationship to students' medical-interviewing performance, 919
- Admission policies**, rolling admissions, 644
- Advanced directives**, (book review), 158
- Advertising**, in AAMC's national communications plan (AAMC Focus), 985
- by pharmaceutical industry, 804; 916
- Advisors**, premedical course recommendations of, 72
- Advocacy**, 941
- for family-violence prevention and treatment, Jan suppl S26; Jan suppl S41
- Aetna US Healthcare**, 321
- Affirmative action**, in medical school admissions (from the president), 130; (AAMC Focus), 373; (national policy perspective), 616; (from the president), 775; (AAMC Focus), 891; (from the president), 1084
- Africa**, homophobic discrimination in medical schools in (commentary), 936
- Age factors**. *See also* **Ageism; Aging; Elderly population; Geriatric medicine**
- in selection of primary care as specialty choice, 1003
- Ageism** (letter), 831
- Agency for Health Care Policy and Research** (AAMC Focus), 521
- Aging**, centers and institutes for research and education in (national policy perspective), 863
- global, 856
- Medicine and the Arts, Oct suppl 2 of Third-Age populations, 856
- AHC/MCO Partnership Initiative**. *See* **Partnerships for Quality Education**
- Alimentary metaphors**, for academic medicine, 167
- Allegheny University of the Health Sciences, Medical College of Pennsylvania-Hahnemann University School of Medicine**, 524
- Enhanced Skill Building program of, 438
- faculty development at, 496
- Generalist Physician Initiative participation by, 745
- problem-based learning use by, 913
- restructuring of, 259
- students' primary care career choices at, Oct suppl 1 S103
- Alliances**. *See also* **Partnerships**
- managed care organizations/academic health centers, 321; 341; (from the president), 372
- managed care organizations/hospitals, 325
- physician-nurse, Oct suppl 1 S1
- Alzheimer's disease**, National Institute of Aging-funded research in (national policy perspective), 892
- Alzheimer's Disease Centers**, 863
- Ambulatory care journal club**, 358

- Ambulatory care settings**, clerkships in, in community-based psychiatry (letter), 565
- clerkships in, longitudinal, in primary care, Oct suppl 1 S136
- clerkships in, use of course integration in, 419
- clerkships in, vs. ambulatory inpatient settings, Oct suppl 1 S130
- cognitive research-based teaching in, 116
- definition and evaluation of quality of teaching in (ideas for medical education), 505; (letter), 831; 831
- emergency rooms as, Oct suppl 1 S133
- faculty development for (ideas for medical education), 1071
- of Generalist Physician Initiative-participating schools, 745
- independent study activities in, 357; 358
- in internal medicine, 988
- in internal medicine, effect on students' career choices, 147
- in internal medicine, residents' training in community-based medicine in, 448
- learner-centered instructional activities in (ideas for medical education), 357; 358
- learning issues in, students' identification of, 913
- managed-care practice training in, 447
- need for increased training in (letter), 663
- patient follow-up visits in (ideas for medical education), 600
- patient satisfaction with, 1015
- preceptors' teaching strategies in (ideas for medical education), 766
- teaching costs of (AAMC Focus), 45; 547
- teaching strategies for, 30; (AAMC Focus), 45; 116; 117; (ideas for medical education), 276; 277; 693; 766
- in tertiary care institution, 436
- time-efficient approach in (ideas for medical education), 693
- total quality management approach in, 464
- utilization review in, 959
- workshop on (ideas for medical education), 1071
- American Academy of Family Physicians** (letter), 470
- American Academy of Pediatrics**, child abuse/neglect fellowship of, Jan suppl S93
- American Academy of Physician Assistants**, core competency research project of (letter), 1028
- American Association of Health Plans**, 341; (from the president), 372
- American Board of Emergency Medicine**, practicing physicians' competency assessment by, 9
- American Board of Internal Medicine**, End of Life Patient Care Project of (from the president), 704
- American College of Physicians**, continuing medical education in family violence program of, Jan suppl S41
- Journal Club of (commentary), 938
- American Medical Association**, National Coalition of Physicians Against Family Violence of, Jan suppl S41; Jan suppl S93
- American Medical College Association**, standards of, members' failure to comply with (from the archives), 6
- American Medical Women's Association**, University of Arkansas School of Medicine student branch of, battered women's project of, Jan suppl S105
- American Society of Human Genetics**, Medical School Core Curriculum in Genetics of (letter), 831
- Americans with Disabilities Act** (commentary), 1032
- Analytic hierarchy process**, 400
- Anatomy**, Medical Anatomy Preparatory Program in, 731
- unclaimed cadaver use in (commentary), 741
- virtual reality use in, 1076
- Applicants**, to medical schools, motivations of (commentary), 474
- Application process**, for subspecialty fellowships, residents' assessment of, 152
- Approaching Death: Improving Care at the End of Life (Institute of Medicine), 704
- Argentina**, students' motivations for medical career choices in (letter), 833
- Association of Academic Health Centers**, academic health centers- community partnership project of, 341
- Association of American Medical Colleges**, Advisory Panel on the Mission and Organization of Medical Schools of, 677
- Advisory Panel on the Mission and Organization of Medical Schools of, Working Group on Adaptation to Resource Constraints, 180; 734
- Advisory Panel on the Mission and Organization of Medical Schools of, Working Group on Fulfilling the Social Contract, 1063
- annual meeting of, awards presented at, 121; (AAMC Focus), 1085
- Center for the Assessment and Management of Change in Academic Medicine of (AAMC Focus), 521; 891; (AAMC Focus), 985
- Clinical-Administrative Data Services of (AAMC Focus), 780; 985
- Executive Council of, 17
- as Forum on the Future of Academic Medicine sponsor, 595
- Medical Education Standards and Assessment Project (MESA) of, 808
- 1890 reorganization of (from the archives), 8
- Project 3000 by 2000. *See* **Project 3000 by 2000**
- Task Force on the Generalist Physician of, 13
- testimony before House Labor-HHS Appropriations Subcommittee (AAMC Focus), 521
- Undergraduate Medical Education Preparation for Improved Geriatric Care* report of (from the president), 890
- web site of, 196
- Association of Physician Assistant Programs**, core competency research project of (letter), 1028
- Attitudes**. *See also* **Public attitudes**
- of students, competence in, sequential assessment of, 428
- of students, in evaluation of courses, faculty, and peers, Oct suppl 1 S4
- of students, towards family violence Jan suppl S 75
- of students, towards immunology (letter), 662
- of students, towards mentally retarded patients (letter), 246
- Attitudes Towards Social Issues in Medicine Scales**, 902
- Attrition**, of medical students, predictors of, Oct suppl 1 S69
- Autonomy**, clinical, loss of, in managed care, 332
- of physicians, 941
- Awards**, annual, of Association of American Medical Colleges, 121; (AAMC Focus), 1085
- Institutional Research Capacity Award (AAMC Focus), 618
- of National Health Service Corps (AAMC Focus), 985
- Balanced Budget and Taxpayer Relief Acts of 1997** (from the president), 984; (national policy perspective), 986
- BA/MD programs**, performance of early-decision admission students in, Oct suppl 1 S66
- Bandura's theory of reciprocal determinism** (letter), 245
- Baseball** (cover note), 744
- Basic science(s)**, students' knowledge of, 1097
- Basic science curriculum**, effect of downsizing on, 894

- ethics instruction in, 426
integration into ambulatory care clerkships, 419
integration into clinical instruction, 420; 424
patient-centered problem-solving in, 426
- Baylor College of Medicine**, preclinical courses of, student-run focus group evaluations of, 412
students' humanism and psychosocial beliefs survey of, 1106
virtual reality use at, 1076
World Wide Web-based course-evaluation system of, 418
- Beattie, Diana** (AAMC Focus), 521
- Ben-Gurion University of the Negev**, integrated basic and clinical science course of, 424
- Berkshire Area Health Education Center** (letter), 472
- Berkshire Medical Center**
international medical graduates' applications to (letter), 659
support of, by commercial vendors (letter), 472
- Bernardin, Joseph Cardinal**, 848; 1037
- Beth Israel Deaconess Medical Center**, joint venture with Harvard Medical School, 483
- Bioethics**. *See* **Ethics**
- Biomedical model**, of medicine, 841
- Biopsychosocial model**, of medicine, 841
- Biostatistics**. *See* **Statistics**
- Board examinations**, relationship to managed care, 332
- Book reviews**, Blank and Merrick, eds. *Encyclopedia of U.S. Biomedical Policy*, 314
Cathell, David, *The Physician Himself and What He Should Add to the Strictly Scientific*, 977
Conway, Kathlyn, *Ordinary Life: A Memoir of Illness*, 1018
King, Nancy M.P., *Making Sense of Advanced Directives* (revised ed.), 158

- Boston's Children's Hospital**. *See* **Children's Hospital, Boston**
- Boston Medical Center**, residents' unionization at (AAMC Focus), 891
- Boston University School of Medicine**, participation in Generalist Physician Initiative, 745
- Brazil**, medical school graduates' specialty choices in, 68
- Breast examination skills**, use of standardized patients for instruction in, Oct suppl 1 S91
- Breastfeeding curriculum**, 452
- Brown University School of Medicine**, ambulatory care worksheet use by, 440
family-violence fellowships of, Jan suppl S93
multiculturalism committee of (commentary), 936
students' managed-care training at (letter), 159
- Budgeting**, mission-based (commentary), 92
- Bureaucratization**, of medicine, 941
- Business managers**, participation in psychiatric curriculum, 445
- Cadavers, unclaimed** (commentary), 741
- California**, affirmative action in (AAMC Focus), 373
new licensure requirements in (letter), 470
Project 3000 by 2000 in, (from the president), 775
- Canada**, MAINPRO-C requirements in, 458
Physician Review and Enhancement Program of, 9
remedial continuing medical education program in, 760
- Cancer**. *See also* **Oncology**
inherited predisposition to (letter), 832
pain control in, 798
pain control in, in outpatients, continuing medical education intervention for, 798
prevention and control of, academic medical center-managed care organization alliances for, 321
radiation exposure-related (commentary), 940
- Capital punishment** (cover note), 166
- Capitation**, global, 332
- Cardiology**, cardiovascular risk factor identification module in, 442
as specialty choice, declining interest in (AAMC Focus), 618
- Cardiovascular risk factor identification**, with preventive cardiology module, 442
- Careers in medicine**. *See also* **Residency selection**; **Specialty choice**; specific specialties
Argentinian students' motivations for (letter), 833
focus-group discussions about, 635
of Saudi students, 65
- Caring**. *See also* **Moral issues**; **Ethics**; **Values**
importance of in medical education, 253
- Carnegie Foundation for the Advancement of Teaching** (commentary), 477
- Case-based teaching**, case management use in, 555
computer-based case presentations and simulations use in, 416; 457
with low-income patients, 437
- Case management**, use in case-based teaching, 555
- Case Western Reserve School of Medicine**, Managed Care Institute of, 341
participation in Generalist Physician Initiative, 745
- Cathell, David**, *The Physician Himself and What He Should Add to the Strictly Scientific*, 977
- Center for the Assessment and Management of Change in Academic Medicine**, (AAMC Focus), 521; 891; (AAMC Focus), 985
- Centers for Disease Control and Prevention**, family-violence definitions and criteria of, Jan suppl S13; Jan suppl S41
family-violence resources of, Jan suppl S93
National Center for Injury Prevention and Control of, Jan suppl S110
- Centers for Medical Education Research**, as Icicle Creek Ambulatory Education Conference sponsor (ideas for medical education), 30
- Centers on the Demography of Aging**, 863
- Certification**. *See also* **Accreditation**; **Licensure**
of physician assistants (letter), 1028
- Charles R. Drew University of Medicine and Science**, clerkship in inner-city health center of, 439
- Cherkasky, Martin**, 325
- Chest auscultation**, small-group instruction in, Oct suppl 1 S121
- Child abuse**. *See* **Family violence**
- Children**. *See also* **Pediatrics**
concepts of illness of, videotaped instruction in, 430
Enhanced Skill Building program for, 438
health education programs for, 430; 434; 438
health of, society's responsibility for (cover note), 96
- Children's Hospital, Boston**
family-violence fellowships of, Jan suppl S93
family-violence interventions by, Jan suppl S59
- Chronic obstructive pulmonary disease**, continuing medical education program in, needs assessment for, 456

- City of New York Medical School/Sophie Davis School of Biomedical Education**, graduates of, practice in underserved areas by, 794
- Civil rights movement**, academic medicine's response to, 103
- Claude D. Pepper Older Americans Independence Centers**, 863; (national policy perspective), 892
- Clerkships**, in ambulatory care settings, community-based psychiatric (letter), 565
- in ambulatory care settings, course integration in, 419
 - in ambulatory care settings, effect on students' ambulatory care knowledge, Oct suppl 1 S130
 - in ambulatory care settings, longitudinal, in primary care, Oct suppl 1 S136
 - in ambulatory care settings, pediatric, student feedback in, 444; 565
 - directors of, academic characteristics and activities of, Oct suppl 1 S112
 - evaluation of, by students, with standardized electronic mechanism, 418
 - evaluation of, removal of rater effects from, 443
 - faculty and student contact hours in, 218
 - faculty-student ratios in, 218; 228
 - in family-medicine, problem-based tutorials in, use of interactive televideo in, 441
 - in geriatrics, longitudinal, effectiveness of, Oct suppl 1 S28
 - instructional cost of, 200; 211; 218
 - in integrated psychiatry-neurology, with problem-based learning curriculum, 423
 - integration of departments and disciplines in (commentary), 250
 - in internal medicine, ethics program of, 426
 - in internal medicine, with ambulatory care curriculum, 147
 - learning objectives of, 647
 - length and timing of, effect on NBME scores, Oct suppl 1 S31; Oct suppl 1 S34
 - in longitudinal ambulatory primary care, Oct suppl 1 S136
 - pediatric, in ambulatory care settings, student feedback in, 444
 - pediatric, effect on residency choice (letter), 566
 - pediatric, public health sub-curriculum in, 437
 - pediatric, teaching children's concepts of illness in, 430
 - prediction of performance in, 394; (letter), 931; 931
 - primary care, community-skills program in, 435
 - primary care, longitudinal, in ambulatory care setting, Oct suppl 1 S136
 - psychiatric, length and timing of, effect on NBME scores, Oct suppl 1 S34
 - psychiatric, objective structured clinical examination use in, 715
 - students' educational activities during, quantification of, 308
 - students' evaluations during, 641
 - effect on students' specialty choices (letter), 469; 469
 - in surgery, length and timing of, effect on NBME scores, Oct suppl 1 S31
 - training duration in, relationship to students' clinical knowledge, 305
 - in women's health (commentary), 737
- Clinical-Administrative Data Services (AAMC Focus)**, 780; 985
- Clinical Behavioral Sciences Program** (letter), 319
- Clinical case presentations**, assessment of semantic content of, Oct suppl 1 S37
- presentation order of, effect on clinical decision-making, Oct suppl 1 S40
- Clinical Evaluation Encounter Form**, 444
- Clinical experience**, recording of, on Internet home pages, 417
- Clinical expertise**, effect of problem-based learning on, 552
- of veterinary students, 552
- Clinical information**. *See also Informatics*
- "just-in-time" model of access to, 512
- Clinical instruction**. *See also Ambulatory care settings; Clerkships; Teaching*
- costs of, 200; 211
 - duration of, relationship to students' clinical knowledge, 305
 - use of information technologies in, 770
- Clinical practice examinations**, alternative to, 444
- Clinical progress exercises**, as alternative to clinical practice examinations, 444
- Clinical science**. *See also Research*
- doctoral programs in, 589
- Clinical skills**. *See also Evaluation; Standardized patients*
- in integrated curriculum, 419; 420
 - of practicing physicians, evaluation of, with Rasch model, Oct suppl 1 S76
 - students' self-assessment of, Oct suppl 1 S63
 - virtual reality use in teaching of, 1076
- Clinical trials**, health insurance providers' involvement in (letter), 1
- National Institutes of Health guidelines for, Jan suppl S65
 - underreporting of (editorial) 1030
 - women's inclusion in, Jan suppl S65
- Clinical WebLog**, 417
- Cognitive Behavior Survey**, Oct suppl 1 S13
- Cognitive research**, application to ambulatory care settings (ideas for medical education), 116
- Colleagues, physicians' relationship with**, assessment of, Oct suppl 1 S82
- historical account of, 977
- College of Family Physicians of Canada**, MAINPRO-C requirements of, 458
- College of Physicians and Surgeons of Ontario**, Physician Review and Enhancement Program (PREP)
- sponsorship by, 9
- College of Physicians of Quebec**, remedial continuing medical education program of, 760
- Colorectal cancer screening guidelines**, residents' compliance with (letter), 2
- Combined degrees**. *See Dual-degree programs*
- Columbia Michael Reese Hospital and Medical Center**, 62
- Committee on Maintaining Privacy and Security in Health Care Applications**, (national policy perspective), 523
- Communal approach**, of academic health centers (commentary), 163
- Communication skills**, multicultural, 428
- physician-patient, 57; 394; 631; (commentary), 839
 - physician-patient, enhancement of (letter), 934
 - physician-patient, relationship to medical liability (commentary), 6
 - physician-physician (letter), 934
 - of students, factors influencing, 426
 - of students, self-assessment of, Oct suppl 1 S57
